Dear Supervisors:

**FIRE SUPPRESSION CAMP SERVICES AGREEMENT BY AND BETWEEN
COUNTY OF LOS ANGELES AND CALIFORNIA DEPARTMENT OF
CORRECTIONS AND REHABILITATION
ALL DISTRICTS
(3 VOTES)**

SUBJECT

This is a joint recommendation with the Los Angeles County Sheriff's Department seeking approval of an Agreement with the California Department of Corrections and Rehabilitation. Under the Agreement, the California Department of Corrections and Rehabilitation will assume custody of County inmates who are convicted as non-violent, non-serious, non-sexual offenders and assign them to the five Los Angeles County Inmate Fire Suppression Camps. This Agreement will be funded through the Sheriff's Department's Public Safety Realignment Act of 2011 (Assembly Bill 109) allocation.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chairman of the Board to execute the attached Agreement for Fire Suppression Camp Services with the California Department of Corrections and Rehabilitation, commencing upon execution by both parties and terminating on June 30, 2016, to provide security and housing for up to 528 County inmates with long-term sentences within the five Los Angeles County Inmate Fire Suppression Camps, at the offender per-diem rate of \$46.19 with a maximum contract sum for the term of the Agreement not to exceed \$27,000,000.
2. Delegate authority to the Sheriff to execute amendments to the Agreement for Fire Suppression Camp Services for any immaterial changes, defined as administrative or clerical modifications, to the

Agreement, any changes to the day-to-day operational requirements described in the Agreement which do not increase the offender per-diem rate, special custodial costs rate, maximum annual contract sum, maximum contract sum, term of the Agreement, or County's liability under the Agreement, and any decrease in the offender per-diem rate or special custodial costs rate for which the same services are provided to the County, provided however that written notice of such decrease is provided to the Board.

3. Instruct the Chief Executive Officer and Sheriff to provide an implementation progress report upon the transition of the first two Fire Camps whose completion is anticipated by March 2014.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Jail Population Management

Effective October 1, 2011, Assembly Bill 109 (AB109) transferred responsibility for the custody, parole supervision, treatment/support services, and revocation of individuals whose last conviction was a non-serious, non-violent, and non-sex offense from the California Department of Corrections and Rehabilitation (CDCR) to the counties.

The Los Angeles County Sheriff's Department (Sheriff) custody system has an operating capacity of approximately 21,000 jail beds with a historical population mix of pre-trial, post-conviction/pre-sentence, and, to a very limited degree, sentenced inmates with terms of less than 12 months. The jails were not designed for the long-term housing of inmates.

In less than two years, AB109 has resulted in an average daily jail population increase from 15,400 to the current average of 18,500 inmates. AB109 has also created a significant demographic shift where a daily average of 5,900 (32 percent) inmates are non-violent, non-serious, non-sexual offenders (N3) whose sentences average 24 months, including one N3 inmate who was sentenced to 42 years. Inmates continue to be housed and segregated based on the Sheriff's risk assessment screening and, given the limited jail capacity, N3s are comingled with the jail's general population which will affect inmate culture and dynamics. The N3 population has and will continue to place additional demands on the Sheriff's already stressed jail population management operations.

On October 1, 2012, the Chief Executive Office (CEO) released the Alternatives to Incarceration report that included a review and evaluation of inmate population management programs. The use of Fire Camps represents the most viable option to provide housing for the N3 inmates with the longest sentences. The Sheriff has completed negotiations with CDCR to transfer custody of up to 528 N3 inmates.

Fire Camps

Since the early 1980's, the five local Fire Camps have been jointly managed by CDCR and the Consolidated Fire Protection District of Los Angeles County (Fire). CDCR supplies the State inmate workforce and onsite security, while Fire supervises the inmates working on fire crews. In a similarly managed operation, CDCR supplies State inmate fire crews to the California Department of Forestry and Fire Protection's (CALFire) 39 fire camps located throughout the State.

With the implementation of AB109, the CALFire system's inmate population has gradually declined due to attrition (inmates released, paroled, or sent back to secure CDCR institutions) and the fact that those inmates typically assigned to fire camps are now being sentenced to local county jails.

CDCR has responded to the eligible inmate population reduction by modifying fire crew size and their fire camp deployment strategy throughout the State, including the Los Angeles County Fire Camps. CDCR has also recently entered into an agreement with Riverside County to transfer custody of up to 200 inmates to the CALFire system.

The proposed County-CDCR Agreement will transfer custody of up to 528 N3 inmates (380 male and 100 female, plus an additional 10 percent of up to 48 inmates) who will then replace all the State inmates within the five Los Angeles County Fire Camps. The N3 inmates will be exclusively housed within our Fire Camps; thereby, benefiting the County by:

1. Creating jail capacity specifically for N3s with long-term sentences at a cost that is less than a traditional jail bed;
2. Restoring 528 traditional jail beds to the general inmate population;
3. Providing enhanced housing relief since inmates participating in a fire camp program receive two days credit for each day served, resulting in twice as many N3 inmates participating in the fire camp program compared to a traditional jail term;
4. Transferring inmate custodial responsibilities from the Sheriff to the CDCR, including inmate security, welfare, and liability. The CDCR-Fire relationship within the Fire Camps will remain unchanged with CDCR providing security, albeit with a N3 population, and Fire providing supervision and training of the inmate fire crews; and
5. Securing and maintaining the County's full operational fire-fighting capacity with Sheriff supplied N3s fire crews; thereby, eliminating the County's reliance on the CDCR to supply State inmate fire crews.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan Goal 1: Operational Effectiveness and Strategic Plan Goal 2: Fiscal Responsibility by creating alternative custody beds to house the additional N3 inmate population outside of the County's traditional jail system.

Strategic Asset Management Principles Compliance

Not applicable.

FISCAL IMPACT/FINANCING

The Sheriff will utilize its local AB109 allocation to fund the Agreement with CDCR. In the unlikely event the State reduces AB109 funding during the term of the Agreement, the Sheriff will re-evaluate and prioritize all AB109 programs including this Agreement with the CDCR.

Contract Daily Rates

The CDCR has established a State-wide fire camp contract daily bed rate of \$46.19, which is equivalent to an annual cost of \$8.9 million for the custody transfer of 528 N3s. In contrast, the Sheriff's daily jail bed rate is \$118.32, which would cost \$22.8 million annually if the N3s remained in

traditional jail beds (Attachment 1, Table 1). The maximum contract sum for the three-year contract is \$27 million.

In addition to the fire camp daily bed rate, the maximum contract sum also includes special custodial costs at a daily rate of \$77. The special custodial costs encompasses the transportation and custody supervision, as necessary, for an inmate who has been removed from an out-of-County fire line and must be housed at a local detention or medical facility prior to transportation back to Los Angeles County. Such removal from a fire crew may be due to disciplinary or medical reasons.

Estimated Actual Costs

The actual implementation of the Agreement will take approximately two years to complete, reflecting the time needed to train N3 inmates and the systemic transition of each Fire Camp from a State inmate to a N3 inmate population. The transition of each Fire Camp will take approximately 90 days. After the first two Fire Camps have completed the transition, the Sheriff will evaluate the implementation process and identify any issues prior to moving forward with the remaining Fire Camps. The CEO and Sheriff will provide an implementation progress report of the first two Fire Camps, which is anticipated to be completed by March 2014.

The estimated cost to transfer custody of N3s to the CDCR during Fiscal Year 2013-14 is \$3.1 million. Given the phased transition of the Fire Camps, the estimated total cost for the three-year contract is \$20.2 million (Attachment I, Table 2), which reflects the transition schedule and estimated costs.

This Agreement between the County and CDCR is limited to the custody transfer of N3s only. The actual operation of Fire Camps and deployment of fire crews is covered under a separate longstanding agreement between Fire and CDCR.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Agreement Provisions

The term of the Agreement commences upon execution by both parties and terminates on June 30, 2016. The CDCR will provide housing, sustenance, inmate programs, and routine medical care in exchange for an offender per-diem rate of \$46.19. The Agreement may be terminated by either party with a 60-calendar-day advance written notice. The Agreement provides for mutual indemnification by the parties. Both parties acknowledge that they are self-insured to meet their indemnification obligations under the Agreement.

CDCR will provide all services under the Agreement in accordance with all Federal, State, and local law, rules, regulations, policies, procedures, and correctional standards, including but not limited to Title 15 and all CDCR policies, procedures, rules, and regulations. The County shall have the right to audit, inspect, review, and examine the Fire Camp facilities and its operations and programs, including all documents related thereto.

Implementation

The transfer of County inmates to the five Fire Camps will be implemented in phases (Attachment I, Table 2). The Sheriff anticipates each Fire Camp will require 90 days to fully transition and have fire crews ready for operation. This transition period includes a maximum 60-day period during which there will be a commingled State inmate and N3 population. The intent is to provide an opportunity

for State inmates to share institutional knowledge of each unique camp and their fire-line experience with the newly trained N3 fire crews. The Sheriff and CDCR will evaluate the value of this "inmate knowledge transfer" during the first two camp transitions prior to moving forward with the remaining Fire Camps.

CDCR Staff

CDCR staff shall be Correctional Officers who meet the California Peace Officers Standards and Training (POST) staffing requirements, have passed CDCR's background clearances, and have completed the minimum standards for training of correctional officers established by the Board of CDCR and Community Corrections, CDCR of California pursuant to Penal Code Section 6035.

Inmates

The Agreement details the inmate eligibility requirements for participation in the CDCR Fire Camp program; whereby, the Sheriff will be responsible for conducting criminal history and medical screening of eligible N3s. Upon this initial clearance, the Sheriff will provide physical training and, through a separate training MOU with Fire, basic fire suppression training. The Sheriff will then transport eligible trained male N3 inmates to a centralized "Fire Camp Intake Center" at Camp Holton in Sylmar. The Sheriff will transport eligible trained female N3s directly to the California Institute for Women. CDCR will then assume custody and control of the N3 inmates for the remainder of their sentence. All inmates will participate in Fire Camp work programs while assigned to a Fire Camp, including fire suppression work crew assignments, firefighting training, in-camp work assignments, and other miscellaneous work assignments, unless otherwise medically or administratively precluded. N3 inmates will be transferred back to the Sheriff for processing prior to release. No inmates will be released directly from the Fire Camps.

Worker's Compensation and Medical Care

For all injuries incurred by an inmate housed at a Fire Camp, the County shall not be responsible for the payment of any medical care or benefits related to an inmate's workers' compensation injuries or claims as required by California law, including but not limited to California Labor Code section 3370. CDCR shall be solely responsible for all workers' compensation claims and benefits, including the administration of the claims, in the same manner as if the inmate was an inmate of CDCR.

CDCR shall provide routine medical care to the inmates while housed at the Fire Camps. CDCR will notify the Sheriff of an inmate's increase in medical care needs, including emergent care. In the event that it becomes necessary to remove an inmate from a Fire Camp due to an increase in medical care needs beyond that provided by CDCR (i.e., as routine medical care), CDCR will notify the Sheriff to coordinate the pick-up and transport of the inmate by the Sheriff back to County jail for further medical care.

Fire Camp Credit

Pursuant to California Penal Code section 4019.2, any inmate who is assigned to a county or state correctional institution as an inmate firefighter and who is eligible to earn one day of credit for every one day of incarceration pursuant to California Penal Code Section 4019 shall instead earn two days of credit for every one day served in that assignment. This will assist the Sheriff's population management by reducing N3 sentences in half in exchange for their work on a fire crew which is a direct beneficial service to our communities.

The attached Agreement has been reviewed by CEO, Office of Risk Management and approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

Not applicable.

CONTRACTING PROCESS

Not applicable.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Fire Camps will expand the County's jail system to accommodate the population increase attributable to long-term sentenced N3s. The custody transfer of N3s to CDCR will ensure Fire Camps are at full operational readiness and maintains the County's local fire-fighting capacity. There will be no negative impact on current County services as a result of this Agreement.

CONCLUSION

Please return one adopted copy of this Board letter and three copies of the fully executed Agreement to the Chief Executive Office, Public Safety Budget.

- 4.3 The parties shall meet and confer at least one hundred and eighty (180) calendar days prior to the expiration of this Agreement to discuss the possible renewal or extension of this Agreement. The parties agree to consult with the Fire District and make every attempt to coordinate any renewal or extension of this Agreement with the term of the Fire District-CDCR Agreement. Absent the mutual consent of the parties and a written Amendment extending the term of this Agreement in accordance with Paragraph 4.2 above, this Agreement shall expire at the conclusion of the then-existing term.

5.3 Payments for Non-Routine Medical Care

5.4.2 The Special Custodial Costs payable under this Paragraph 5.4, Special Custodial Costs, must be pre-approved by the Department Fire Camp Operations or such expenses shall not be reimbursable by the County.

5.5 The State shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Except as provided for in the Fire District-CDCR Agreement, assumption or takeover of any of the State's duties, responsibilities, or obligations, or performance of same by any entity other than the State, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County's express prior written approval.

5.6 The State shall maintain a system of record keeping that will allow the State to determine when it has incurred seventy-five percent (75%) of the Maximum Contract Sum under this Agreement. Should the State receive any such payment, it shall immediately notify the County and shall immediately repay all such funds to the County. Payment by the County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from the State. This provision shall survive the expiration or other termination of this Agreement.

5.8.3 Monthly invoices shall also include a separate section for reimbursement claims for Special Custodial Costs, if any. The claim shall reflect the daily rate set forth on Exhibit B, Price Schedule, of this Agreement and the number of custodial staff and hours for service. The State shall attach documentation sufficient to justify reimbursement of such costs. The documentation required shall be mutually agreed upon by the County and the State.

- 8.6.7 Copies of all written responses shall be sent to the County Project Manager within thirty (30) Business Days of delivery to the complainant.

8.7 COMPLIANCE WITH APPLICABLE LAW

In the performance of this Agreement, State shall comply with all applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

8.11 FORCE MAJEURE

- 8.11.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractor), freight embargoes, or other similar events to those described above, but in every such case, the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").
- 8.11.2 Notwithstanding the foregoing, a default by a subcontractor of the State shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both the State and such subcontractor, and without any fault or negligence of either of them. In such case, the State shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the State to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" mean subcontractor at any tier.
- 8.11.3 In the event the State's failure to perform arises out of a force majeure event, the State agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if

applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.12 GOVERNING LAW, JURISDICTION, AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The State agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.13.2 The State shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the State.

8.13.3 The State understands and agrees that all persons performing work pursuant to this Agreement are, for purposes of Workers' Compensation liability, solely employees of the State and not employees of the County. The State shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the State pursuant to this Agreement.

8.13.4 The State shall adhere to the provisions stated in Paragraph 8.8, Confidentiality, of this Agreement.

8.18.2 The State shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations. 8.21.1 Any documents submitted by the State and all information obtained in connection with the County's right to audit and inspect the State's documents, books, and accounting records pursuant to Paragraph 8.22, Record Retention and Inspection/Audit Settlement, of this Agreement become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.22.3 Failure on the part of the State to comply with any of the provisions of this Paragraph 8.22, Record Retention and Inspection/Audit Settlement, shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement.
- 8.22.4 If, at any time during the term of this Agreement or within three (3) years after the expiration or termination of this Agreement, representatives of the County conduct an audit of the State regarding the work performed under this Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the State, then the difference shall be determined by agreement between the parties and either: a) repaid by the State to the County by cash payment upon demand or b) deducted from any amounts due to the State from the County. If the parties are unable to reach an agreement, then the issue shall be resolved as provided in Paragraph 8.19, Notice of Disputes, of this Agreement. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the State, then the difference shall be paid to the State by the County by cash payment, provided that in no event shall the County's maximum obligation for this Agreement exceed the funds appropriated by the County for the purpose of this Agreement.

State desires to subcontract, the State shall provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

- 8.23.3 The State shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the State employees.
- 8.23.4 The State shall remain fully responsible for all performances required of it under this Agreement, including those that the State has determined to subcontract, notwithstanding the County's approval of the State's proposed subcontract.

**AGREEMENT
CONTRACTOR'S OBLIGATIONS AS A
"BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE
PORTABILITY AND ACCOUNTABILITY ACT OF 1996
AND THE HEALTH CARE INFORMATION TECHNOLOGY
FOR ECONOMIC AND CLINICAL HEALTH ACT
(BUSINESS ASSOCIATE AGREEMENT)**

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005, title XIII and title IV of Division B, ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

DEFINITIONS

- 1.1 "Breach" has the same meaning as the term "breach" in 45 C.F.R. § 164.402.
- 1.2 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of

Protected Health Information outside Business Associate's internal operations or to other than its employees.

- 1.3 "Electronic Health Record" has the same meaning as the term "electronic health record" in the HITECH Act, 42 U.S.C. section 17921. Electronic Health Record means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff.
- 1.4 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.
- 1.5 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.
- 1.6 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).
- 1.7 "Minimum Necessary" refers to the minimum necessary standard in 45 C.F.R. § 162.502 (b) as in effect or as amended.
- 1.8 "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164, also referred to as the Privacy Regulations.
- 1.9 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of

health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

- 1.10 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.
- 1.11 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.
- 1.12 "Security Rule" means the Security Standards for the Protection of Electronic Health Information also referred to as the Security Regulations at 45 Code of Federal Regulations (C.F.R.) Part 160 and 164.
- 1.13 "Services" has the same meaning as in the body of this Agreement.
- 1.14 "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" in 45 C.F.R. § 164.402.
- 1.15 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.
- 1.16 Terms used, but not otherwise defined in this Business Associate Agreement shall have the same meaning as those terms in the HIPAA Regulations and HITECH Act.

This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.
- (b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If

return or destruction is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

- 5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Business Associate Agreement is contrary to another provision of this Agreement, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of this Agreement.

- 5.6 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations and other privacy laws governing Protected Health Information
